EDUCATION

Bachelor of Engineering in Computer Engineering (2021 - 2025)
Loknete Gopinathji Munde Institute of Engineering Education & Research, Nashik (SPPU)
BE CGPA: 7.11

XII Standard(2019-21):

College: Vainateya junior College of Science, Niphad
Result: 68.33 %

X Standard(2018-19):

School Name: Vainateya Vidyalaya, Niphad
Result: 80.20 %

TECHNICAL SKILLS

- CORE JAVA
- OBJECT ORIENTED PROGRAMMING
- EXCEPTION HANDLING
- SQL
- HTML & CSS
- **Tools & Platforms:** Eclipse, VS Code, GitHub Desktop

SOFT SKILLS

- Decision making
- Teamwork
- Time Management
- Self Motivated

HOBBIES / INTERESTS

- Love To Learn From Scratch
- Travelling
- Gaming

EXTRACURRICULAR ACTIVITIES

- Volunteered at college technical festival (03/2023)
- Association of Computer Engineering Students (ACES) Committee Member (09/2023)

PROJECTS

- **Cloud-Based Door Access System:-** I have developed an Android-based application for door access control using cloud integration. Skills used: Android, Dropbox, Java, IoT, OOP
- **Student Help Desk:-** I have developed an Android application to assist students with queries and support through a centralized help desk system. Skills used: Java, XML, Firebase, Android Development
- **Airplane Management System:-** I have Developed a Java-based system to manage airplane operations and bookings. Skills used: Java, MySQL, OOP.

INTERNSHIP

- **Arrow Technology and Solutions Internship** (Dec 2023 – Jan 2024) :-
Worked on AWS cloud and Linux OS. Skills used: HTML, CSS, JavaScript.
- **Java Full Stack Internship – QSpiders, Pune** (Jan 2025 - Present) :-
Currently undergoing internship and training focused on full stack Java development. Gaining practical experience in building web applications using Java technologies.

TRAININGS / CERTIFICATIONS

- Java Programming Fundamentals course from Infosys Springboard.
- Java Programming for Complete Beginners course on Udemy
- Java Full Stack from Qspider Pune
- Cloud Computing Fundamentals by NPTEL
- Big Data Computing by NPTEL

AWARDS & ACHIEVEMENTS

- Got 1st prize in Gaming Competition.
- Technofest – LoGMIEER

LANGUAGES

- English
- Marathi
- Hindi
